

PRESS NOTE

Amaravati, July 15, 2025

Hon'ble CM Shri Nara Chandrababu Naidu to Inaugurate Green Hydrogen Summit 2025 at SRM University-AP, Amaravati

The Green Hydrogen Summit - 2025 will be inaugurated by the Hon'ble Chief Minister of Andhra Pradesh, Shri Nara Chandrababu Naidu, on July 18, 2025, at the SRM University-AP campus in the august presence of Guests of Honour: Dr V K Saraswat, Hon'ble Member of NITI Aayog; Dr Chandrasekhar Pemmasani, Hon'ble Minister of State for Rural Development and Communications, Govt. of India; Sri Gottipati Ravi Kumar, Hon'ble Minister for Energy, Govt. of Andhra Pradesh; Sri K Vijayanand IAS, Chief Secretary, Govt. of Andhra Pradesh and Dr P Sathyanarayanan, Pro-Chancellor, SRM University-AP.

The two-day summit being held on July 18 and 19, 2025, is organised by SRM University-AP, in association with Government of Andhra Pradesh, IIT Tirupati, IISER Tirupati, Ministry of New and Renewable Energy, Govt. of India, New & Renewable Energy Development Corporation of Andhra Pradesh Ltd. and the SRM Institute of Science and Technology, Tamil Nadu.

The Summit will feature an inaugural address by the Hon'ble CM, a keynote address by Dr V K Saraswat on 'Vision for Green Hydrogen in India's Energy Landscape', and sessions from various industry leaders and academicians including Prof. D Narayana Rao, Executive Director-Research, SRM Group; Dr Ashish Lele, Director, CSIR-NCL, Pune; Dr R Vijay, Director-ARCI; Dr R K Malhotra, President, Hydrogen Association of India, and Dr Amit Saran, Chief Project Manager, Hydrogen Trainset, Ministry of Railways and Dr Sujit Pillai of National Hydrogen Mission, MNRE.

Several leading industrialists engaged in Hydrogen and Renewable Energies: SUZLON, ACME, NTPC, BPCL, KPI Green Hydrogen, Yamna Industries Ltd. And many others are actively participating in the summit.

The Green Hydrogen Summit - 2025 will focus on research and development, innovation, commercialisation, and alignment with the National Hydrogen Mission and discuss the policy framework and incentives to support hydrogen projects. The summit will also explore innovations, challenges, and prospects in green hydrogen production, storage, and applications by assembling industry, academia, and research leaders to advance India's green hydrogen goals.

India is poised to become an influential player in the global Green Hydrogen sector. Under the visionary leadership and foresight of Hon'ble CM Shri Nara Chandrababu Naidu, the State of Andhra Pradesh has embraced national missions such as the National Hydrogen Mission with exceptional vigour and enthusiasm. By aligning state-level priorities with national objectives, Andhra Pradesh opens new frontiers for economic development, technological innovation, and high-quality employment generation.
